# ABOUT HERRMANN BODEN

## 德国赫尔曼

HERRMANN BODEN flooring brand originates from the KRONOSPAN Group in eastern Germany. Founded in 1897, KRONOSPAN is a large family-owned company that integrates product development, design, manufacturing, warehousing, and sales. All products under HERRMANN BODEN are originally produced and packed in Germany. At present, Group's product line covers laminate flooring, MDF\HDF, MFC, PB, etc. its global selling network covers more than 50 countries including Germany, Britain, Luxembourg, Poland, Russia, and China. HERRMANN BODEN's operation headquarters of China is located in Shanghai Hongqiao Central Business District. We aim to bring our high quality German-Made products to China market. Our mission is to help Chinese consumers to create an environmentally friendly, high quality and well-designed living and working space. Our company has a professional and experienced service team that rooted in the flooring industry for more than ten years. By far, we have built two intelligent storage warehouses in China in order to reduce the delivery period for Chinese consumers. Featuring Innovative technology, stylish products design, time-proved quality and great service system, we aim to be a leading flooring firm in the Chinese market.
